

BIOGRAPHY

Pearce Joza

Wyatt

Pearce Joza voices Wyatt, a sensitive werewolf who is always looking for ways to cope with his anxiety *and* his crush on Eliza, in “ZOMBIES: The Re-Animated Series.”

Joza made his stage debut at age 4 in his hometown of Durango, Colorado, playing Randy in the cult classic “A Christmas Story.” His love for acting continued, and he went on to perform in many other local stage productions.

At age 11, Joza was the only actor under age 18 accepted into a prestigious Los Angeles Acting Workshop and subsequently started booking work in independent films and television. Joza starred as Spyder in Disney XD’s sci-fi adventure-comedy series “MECH-X4.” His other acting credits include Disney XD’s “Lab Rats,” “Legendary Dudas,” “Angie Tribeca,” “Dwight in Shining Armor” and the short film “Under the Lights.”

When Joza is not working, he plays on an Ultimate Frisbee team, takes tai chi kickboxing lessons, surfs and snowboards. He currently resides in Los Angeles, California, with his family.
