**About The Academy**

The Academy of Motion Picture Arts and Sciences is home to a global membership of more than 10,500 of the most accomplished film industry artists and leaders. The Academy recognizes and celebrates all aspects of the arts and sciences of moviemaking through renowned awards for cinematic achievement, including the Oscars<sup>®</sup>. With the world's largest film museum and collection, the Academy preserves our cinematic history and presents honest and powerful programs about cinema's past, present, and future. Across all initiatives, the Academy connects global audiences – its members, the film industry, and film fans – through their shared passion for making and watching films.
