Extended Logline: Murdered in broad daylight, everyone wants to know what happened to teenagers Abby Williams and Libby German. Who is the Delphi killer? This week, "IMPACT x Nightline" digs into one of the most disturbing and captivating murder mysteries of our time, the killings of two teenage girls in broad daylight in the small, close-knit town of Delphi, Indiana. The case has had tens of thousands of tips, video and audio evidence, and dozens of locals questioned, but no suspect for over five years. Now, a man is on trial: Richard Allen, a local husband and father. But is he really the killer? Tune into "IMPACT x Nightline" to learn more.
