

BIOGRAPHY

Lo (FKA Charlyne Yi) "Larry"

Lo (FKA Charlyne Yi) voices Larry, a sweet, enthusiastic and reckless goofball, in "StuGo," an original animated series about six middle schoolers who get tricked into attending a fake academic summer camp by a mad scientist. What started as three months of learning transforms into an adventure of a lifetime on a tropical island filled with mind-reading manatees, giant fighting fungi, and fashion-forward mutants.

Lo is a genderfluid Filipinx/Mexican/Korean artist who's the author of the illustrated books "Oh the Moon" and "You Can't Kill Me Twice." They voiced Ruby in "Steven Universe," Mai in "Next Gen," Chloe in "We Bare Bears," and Alice in "Summer Camp Island."

Lo currently resides in Chicago and believes that liberation for those most marginalized equals freedom for all.
