### **Lorraine Toussaint** "Dr. Lullah"

Lorraine Toussaint voices Dr. Lullah, the haughty, aloof and anti-authority mad scientist who tricked six middle schoolers into attending a fake academic summer camp, in the original animated series "StuGo." What started as three months of learning transforms into an adventure of a lifetime on a tropical island filled with mind-reading manatees, giant fighting fungi, and fashion-forward mutants.

Toussaint is an award-winning actress currently starring on CBS' hit show "The Equalizer." A Juilliard graduate, she has starred in numerous TV series and films, including "Selma," "Fast Color," "Middle of Nowhere," "Orange Is the New Black" and the upcoming Prime Video series "The Better Sister." In the summer of 2023, she starred as Gertrude in Kenny Leon's production of "Hamlet" for NYSF. She is also a voice-over artist who has most recently starred in "Big City Greens," "She-Ra" and the Oscar<sup>®</sup>-nominated feature "Nimona."
