**8:00-10:01 p.m. EST – The Bachelor: “2903” (2903)**

**Logline:** Grant’s journey to find love continues as the women put their “girl math” skills and affinity for animals to the test. Meanwhile, one woman jets off to Sin City with Grant; and later, the ladies are surprised with a prom night to remember.

**Extended Logline:** Settling into the mansion, the remaining women prepare for a week of fun dates with Grant, including a “girl math” test hosted by “Shark Tank” star and social entrepreneur Daniel Lubetzky and comedian Hannah Berner. Next, Grant and one lucky lady jet off to Sin City to take a leap of faith off of the 829-foot Strat Hotel; and later, when one woman must suddenly leave the journey, the ladies’ wishes are Grant-ed in the form of a bonus group date with a coveted one-on-one dinner on the line – marking a first in Bachelor history – featuring reality TV icon Lisa Vanderpump and some furry friends. As an emotional week comes to an end, Grant surprises the ladies with a prom night to remember alongside some friendly faces from “The Golden Bachelorette.”
