Chandler Kinney can currently be seen starring in the first two seasons of the WBTV for MAX series, "Pretty Little Liars: Original Sin" and "Pretty Little Liars: Summer School," a darker, present-day iteration of the hit series for ABC Family "Pretty Little Liars."

Kinney also portrays Willa, the fierce and protective leader of the werewolves, in the hugely successful Disney Channel film franchise "Zombies." She reprised the role of Willa in "ZOMBIES: The Re-Animated Series," which she will be returning to for the recently renewed second season.

Previously, Kinney was a series regular on the hit Fox series "Lethal Weapon," opposite Damon Wayans and Seann William Scott.
