**THURSDAY, MARCH 6**

**IMPACT x Nightline: "Switched Before Birth" (321) – Streaming Only on [Hulu](#)**

**Logline:** "IMPACT x Nightline" reports on rare cases of IVF gone wrong, including a woman suing a fertility clinic after delivering a baby that wasn't biologically hers and a family swapping babies with a nearby couple after an embryo mix-up.

**The Inside Scoop:**

- ABC News Studios' "**IMPACT x Nightline: Switched Before Birth**" begins streaming on Thursday, March 6, only on Hulu.
- The episode, led by "Nightline" co-anchor **Juju Chang**, features new interviews with the families directly affected by fertility clinics' life-altering mistakes, including Alexander and Daphna Cardinale and Krystena Murray, plus their lawyer Adam Wolf.
- Additional new interviews include the following:
  - **Dov Fox**, director, Center for Health Law Policy and Bioethics
  - **Dr. Lucky Sekhon**, ob-gyn and reproductive endocrinologist, RMA of New York
  - **Jessica Macdonald**, chief cryobiologist and tissue bank director, Boston IVF
