IMPACT x Nightline: “Gone In 16 Minutes: Sinking of The Superyacht” (310) – Streaming Only on Hulu

Logline: A luxury superyacht sank off the coast of Italy in 16 minutes, sparking global intrigue. Inside the final moments of the Bayesian, one of the rarest sailing yachts in the world owned by billionaire Mike Lynch, told through many exclusive interviews.

Extended Logline: A luxury superyacht sank off the coast of Italy in just 16 minutes, sparking global intrigue as several of its wealthy passengers remained missing, including the yacht’s billionaire owner, British tech tycoon Mike Lynch. Lynch had just been given a second chance at freedom after avoiding decades in prison in a fraud trial. However, his new lease on life lasted only 74 days as he and his teen daughter were then reported dead, along with five others, in the sinking of his sailing yacht, Bayesian. “IMPACT x Nightline” investigates what could have caused the world-class yacht to sink and exclusively speaks to those who can paint a portrait of the man called Britain’s Bill Gates.
